Join the fun- **JOIN THE PATREON!**

WHAT IS PATREON?

Patreon is a membership platform that helps creators create!

For as little as \$1 A MONTH, join the community to share in a monthly set of full colour, paper minis, scatter terrain, VTT Tokens, and goal rewards.

Additionally, share the fun with; work-in-progress artwork and videos; polls and news as well as bonuses and discounts on the entire range!

Members at the **GOLD Tier** actually participate in deciding what we create even getting your own custom design added to the catalogue!

As the community grows, your support helps us to expand what we can offer YOU; meaning more minis and gaming products.

We have big plans and we'd like you to be part of them- **JOIN NOW**

PRINT

- SCALE 100%
- FULL COLOUR
- LANDSCAPE
- Best with Glossy Photo Paper/Card
- Consider a professional print!

TOOLS

Available at office and craft supply stores and online.

- Scalpel/Craft Knife
- Small cutting mat
- Metal ruler
- Glue stick
- A4 Glossy photo paper or print friendly card
- Large and medium, straight bladed scissors
- Adhesive tape
- Black Marker
- 20mm Washers or coins

WARNING!

- Work in a safe location away from pets, young children, delicate surfaces & familiars.
- Always consider our environment!
- Treat your tools with respect!
- Ask an adult for assistance if needed.

CUT

— CUT STRAIGHT LINES

- Cut out each block of minis from the page.
- Cut each individual miniature 'strip' from the block.

FOLD

- - - FOLD DASHED LINES

- Following the instructions below to fold your miniatures.
- Fold BEFORE applying glue.

PRO TIPS!

- If printing with BLACK backgrounds, use a permanent marker to clean up the edges.
 - Before cutting the round base, or around the profile, let the glue dry first!
 - Glue a coin or washer to the base for stability.
 - Make it easier to fold by lightly 'scoring' (but not cutting) the fold lines with a craft knife.
- OR, flattening folds with a hard, smooth object.
- Number the top of your bases for initiative.
 - Glue the base and submerge in sand or 'flock'.

TRIFOLD

Best for Visibility. Stable on the table!

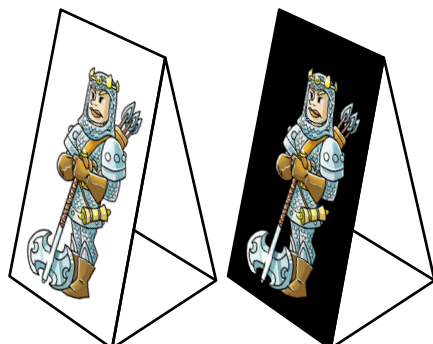

- TRIFOLD ARTWORK
- TRIFOLD ARTWORK BLACK

BIFOLD

Quick & easy to make. Stable on the table!

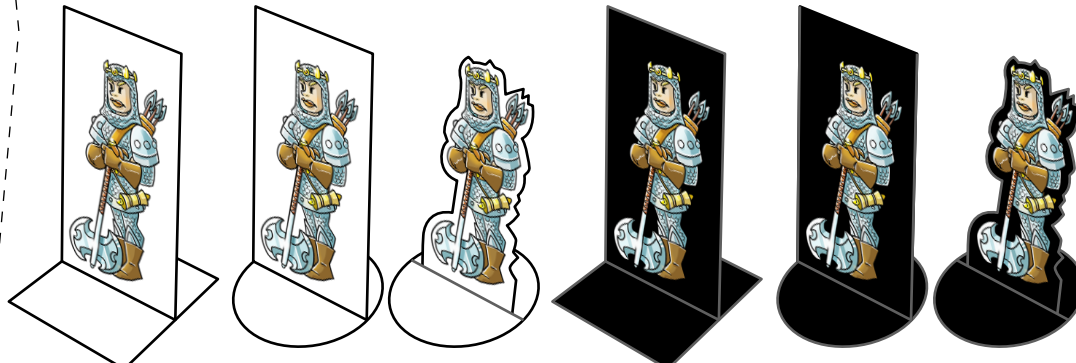

- BIFOLD ARTWORK
- BIFOLD ARTWORK BLACK

STAND

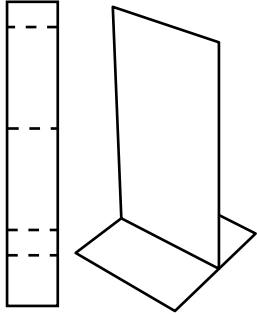

Elegant & traditional with lots of options!
THIS IS THE FILE DEFAULT!

- STAND ARTWORK
- STAND ROUND ARTWORK
- STAND ROUND ARTWORK BLACK

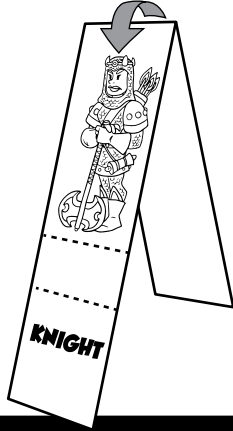

STAND

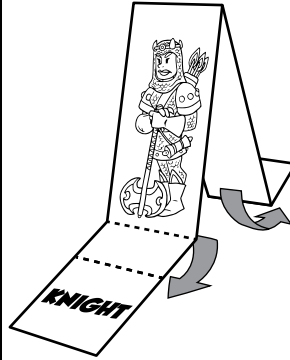

Template Complete

1. Fold strip in half, with print outwards.

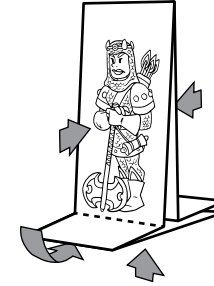

2. Fold 'base' tabs, at the first fold line, outwards.

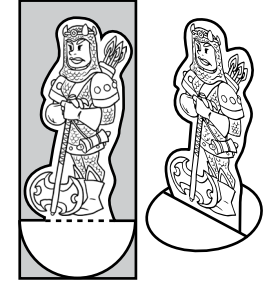

3. Fold 'base tab' (long side with name) at the second fold line, backwards. Glue back of THAT tab & one face of the artwork.

4. Press artwork faces then base tabs together (so name will be visible) **ROLL INITIATIVE!**

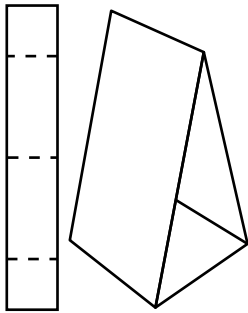

5. For a 'MASTERWORK' finish, print with round bases and trim the contour of the artwork. **LET THE GLUE DRY FIRST!**

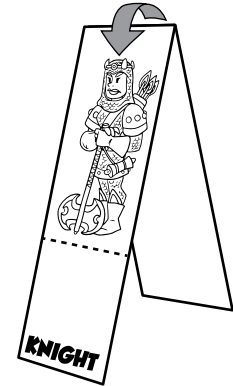

BIFOLD

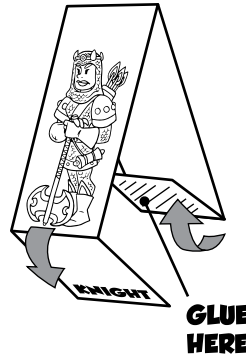

Template Complete

1. Fold strip in half, with print outwards.

2. Fold 'base' tabs inwards. Apply glue to one side (so name will be visible).

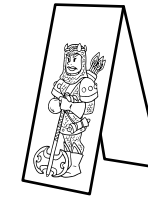

3. Press tabs together. **ROLL INITIATIVE!**

OTHER OPTIONS!

HACK N' SLASH!

- Quick, easy and great with paper
- Cut off all the tabs and simply fold in half

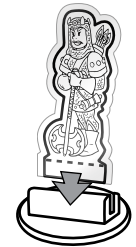

LEVEL UP!

- Trim with enough of the base on, to fit stand slot
- Insert folded card into plastic stand

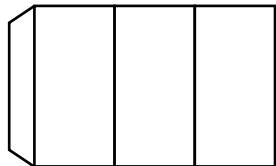

DUNGEON MASTER!

- Trim with enough of the base on, to fit stand slot
- Glue faces together and trim artwork contour
- Laminate and trim again
- Insert figure into stand

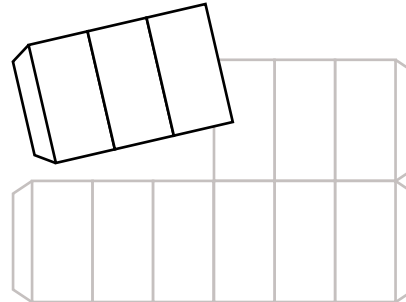

TRIFOLD

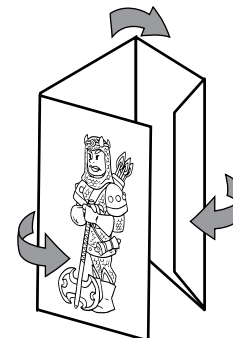

Template Complete

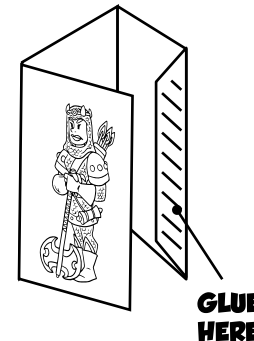

1. Remove blocks of 3 horizontal faces including a tab.

2. Fold all faces, including tab inwards (faces out).

3. Apply glue to tab.

4. Press tab and opposite face together.
