# Foreword

Riddle me this! Here you find another selection of 100 riddles for you to use within your games. Either use randomly by a quick D100 roll, or simply choose at leisure from the list, it is entirely up to you. There should be plenty here to keep your players challenged at various difficulty levels, some easy, some very tricky.

As well as GMs utilising this supplement, indeed it can also be used by players that are portraying such characters that might be such inclined to partake in the odd riddle or two, perhaps a trickster, or Jester, maybe even such like an old hermit or wise woman would find this booklet a boon and add more depth to their character by using the contents. However you use it, remember, have fun and enjoy!
