HEAVENRING VILLAGE

Rooftops

This document contains cutouts for rooftops of the buildings into Heavenring Village. You can use the cutouts to cover the tiles of unexplored areas. The rooftop tiles match the numbers of the original tiles, so the rooftop "heaven#001" is the rooftop of the "heaven#001" tile

Printing Tip: Be sure to uncheck the option "Fit to Page" in the Adobe print dialog before printing out your rooftops.

A series of horizontal lines for writing, resembling a notebook page. The lines are evenly spaced and extend across most of the page width. On the left side, there is a vertical grey bar representing the notebook's binding, with a diagonal line indicating the spine. The lines are slightly wavy, giving the appearance of a hand-drawn or scanned document.
