# Øone's BLACK & WHITE

## Welcome

This product line will bring you simple tiles for your favorite RPGs. In each product you will find a whole fantasy location fully fleshed out in miniature-scale tiles with the usual Øone's top-notch customization capabilities. The B&W maps are simple, line art battlemaps you can customize to suit your needs and then print.

These tiles are accurate, detailed, inexpensive and no ink-eaters.

## In each B&W product you'll find:

- A Referee map detailing a fantasy location
- The whole location broken in US Letter sheets in miniature scale (each sheet contains a 8x10 inches tile)
- A short description of each area of the location with suggested plots

## The Rule the Dungeon® Feature

This Øone's exclusive feature allows you to customize the look of your map by adding the furniture, toggle the grid, hide the room numbers and much more.

On the Referee Map, you will find a big "Rule the Dungeon" button. This button will not be printed, so, don't mind if it overlaps something on the map. By clicking on this button some options will be shown, as detailed below. A checkmark will appear beside the options active. The options available could vary with products, below is a list of the most common options included in B&W products:

- **Text:** toggle room numbers and tile numbers.
- **Tiling:** toggle the page tiling (Referee Map only)
- **Furniture:** toggle furniture
- **Doors:** toggle doors
- **Square Grid:** toggle square grid
- **Hex Grid:** toggle standard hexagonal grid
- **Hex Grid 1 inch:** toggle 1 inch hexagonal grid
- **Black Fill:** toggle the black in the walls
- **Grey Fill:** toggle the grey fill in the walls
- **No Fill:** toggle the white fill in the walls
- **All:** toggle default state/empty state (with just the walls).

Note that the Rule the Dungeon button on the Referee Map controls all the battlemaps at once.

## How to Use This Product

Click on the big button of the Referee Map to customize your maps. Once you have obtained the desired appearance (note that room numbers and tiling do not appear on the tiles) simply choose "Print" from the Acrobat menu.

If you need to print only some tiles, simply click on the desired tile on the Referee Map and choose "Print this Tile".

## Tips for Printing

The tiles should have enough margins to print without checking the option "fit to page". If your printer has a margin larger than ¼ inch you should check it in order to print the whole tile. This could reduce slightly your tile but it should be easily usable.

## **The Story**

The village of Heavenring is a small, quiet place standing in a heavily wooded valley. The place is called Heavenring because the river Heaven encircles completely the village, which is, actually, a small island. The river Heaven is not very wide but its waters run very fast making swimming nearly impossible. The river surrounds and protects the village, making him an "heaven" into an otherwise wild and dangerous area. The Valley of Dark Woods is indeed ancient and filled with old tombs, dungeons and monsters. The people of the village live inside their ring of protection and venture outside only during the day, being the monsters and the dangers a nightly thing. Only one bridge links the valley to the village and it is actually a drawbridge which is lifted at dusk each day, until the reappearing of the light on the following morning. The people of the village live by fishing and woodcutting and are a small, peaceful community. They also produces caviar, from the salmons provided by the river, using a special and unique recipe. The caviar of Heavenring is the best caviar you can find in the known world.

Note that this set details central Heavenring (the river does not appear on the map)

## **Temple and School**

A small round-shaped temple rises near the village central square. A dome provides light from the top to the worship room. A small vestry is where Father Gewhol, the cleric of Heavenring) keeps his personal gear.

Near the temple there is a large house which is both the Father Gewhol's house and the village school. Father Gewhol teaches to the kids of Heavenring and vicinity in a large classroom. The kids can even enjoy a small garden they use as playground. One side of the house features a small apartment for Father Gewhol as well as a library and a private shrine.
