UNIT CLASS AND EQUIPMENT TABLES

Unit Class and Equipment Tables Statistics Descriptions

The abbreviations used in the Unit Class and Equipment tables are explained here. For definitions of most of these terms, see the "Unit Statistics Descriptions" section, starting on page 83.

Country: *The country which produces that unit. You may be able to requisition units made by countries other than your own.*

Equip. Type: Unit Equipment Type

Class: Unit Class

Date Av.: *Date Available, the month and year when a unit began being produced. During campaign play, you may receive a prototype of a unit prior to this date for exceptional performance.*

Year Ex.: *Year of Expiration, the year when a unit is no longer produced. Units may remain operational past their expiration, but no further units of the same type may be requisitioned.*

Cost: *Base prestige cost of the unit, without transport.*
